

A GLOBAL SOLUTIONS CENTER WILL ACCELERATE DEVELOPMENT

THIS PROPOSED CENTER COULD ACCELERATE PROGRESS TOWARD ACHIEVING ALL THE SDGs AND THE UN'S NEW PACT FOR THE FUTURE.

HOW?

BY AVOIDING REINVENTING THE WHEEL

THE CENTER'S FUNCTION IS TO SCAN FOR, MAP, CONNECT, AND COMMUNICATE WHAT WORKS WORLDWIDE. THUS, THERE'S NO NEED TO "REINVENT THE WHEEL" UNNECESSARILY FROM PLACE TO PLACE.

BY COLLABORATING AND SHARING

NEVER BEFORE IN HUMAN HISTORY HAS IT BEEN MORE IMPORTANT TO STIMULATE AND MOBILIZE COLLABORATION, INNOVATION, CREATIVITY, AND RESEARCH ACROSS ALL FIELDS AND SHARE IT WITH THE WORLD.

BY PREVENTING

SUCH A CENTER WOULD SAVE SOCIETY ENORMOUS COSTS, AS IT WOULD SHORTEN THE LEARNING CURVE AND PREVENT PROBLEMS.

**SUSTAINABLE
DEVELOPMENT GOALS**
